TOPICS OF INTEREST:

To help match submissions to reviewers, please select one or more areas that you are most comfortable reviewing:

- ☑ I) Technical Aspects of Systematic Product/Process/Service Innovation:
- ☐ -A.TRIZ-based systematic innovation
- ☐ --1.Research and Development of TRIZ-based theories and tools.
- ☐ --2.TRIZ-based opportunity identification and problem solving applications.
- ☐ --3.Theories, applications, and techniques in TRIZ-based education/teaching.
- ☐ -B.Non-TRIZ based systematic Innovation:
- ☐ --1.Nature or bio-inspired methods/tools for Systematic Innovation.
- ☐ --2.Theories, tools, or applications of systematic innovative opportunity identification or problem solving such as: Lateral Thinking, Vertical
- ☐ --3.Theories/Knowledge/Tools which is integrated with or related to Systematic Innovation such as: IP/Patent Management or Techniques, Sigma, QFD, etc
- ☐ II)Strategic & Business Aspects of Systematic Product/Process/Service/Organizational Innovation:
- ☐ -1.Systematic identification of opportunities and issues in Business Model/Product/Process/Service/Organizational innovation.
- ☐ -2.Systematic innovation strategies, methods, or tools for Business Model/Product/Process/Service/Organizational improvements.
- ☐ -3. Systematic identification or exploitation of Trends for Business or Technology innovation.
- ☐ III)Computer-Aided Innovation (CAI).
- ☐ -1.Development of theories/methods/tools for Computer-aided Innovation.
- ☐ -2.Computer-Aided opportunity identification or problem solving case studies.
- ☐ -3.Intelligent or computational systems supporting innovation or creative reasoning
- ☐ -4.Computer-based Knowledge Management, Text/Web Mining systems supporting innovation processes.
- ☐ -5.Forecasting or Roadmapping issues for CAI.
- ☐ -6.Evolutionary computation, hybrid intelligent systems, computational intelligence supporting product/ process/service innovation
- ☐ IV)Other new tools, theories, and applications related to systematic innovation or CAI.

Please use the Tabs above to perform the actions your decide:

New Submission

Submit a new abstract, full paper or presentation file. A complete submission includes one of the below:

-An abstract then full paper

-An abstract then presentation

-An abstract, full paper and presentation.

Edit Submission

When you decide to change/update an abstract, full paper or presentation file(s). [Relevant submission ID, username, password and required.]

Upload Abstract

You only want to upload or update an abstract. [Relevant submission ID, username, password and required.]

Upload Full Paper

You only want to upload or update a full paper. [Relevant submission ID, username, password and required.]

Upload Presentation File

You only want to upload or update a presentation file. [Relevant submission ID, username, password and required.]

Participant Registration

Please click on "Register On-line " to complete the entire registration process. .

3.1 New Submission

- Submit a new abstract, full paper or presentation file.
- A complete submission includes one of the below:
  - An abstract then full paper.
  - An abstract then presentation.
  - An abstract, full paper and presentation.
- After submit, you will get a success message and system mail about your commit information.

1. Please click the New Submission link.
2. Fill in all information.
   - Notice: Username is your login account(Email).
4. Then press the Make Submission button under bottom.

                                                                                    Submission

Thank you for your submission.

Your submission ID number is 5.

Please include your ID number for all future communications with us.

Below is the information submitted earlier. An e-mail is also sent to you for your record.
**If you notice any problems or do not receive the e-mail within 24 hours, please contact the Chair.**

Reminder: Please go to **On-line Registration to complete** the whole ICSI registration process **after uploading** the file.

>>> Proceed to upload file

3.2 List Submission

- Check your submissions
    - Notice: That Paper ID is Submission ID.

3.3 Edit Submission

- When you decide to change/update an abstract, full paper or presentation file(s).
- Relevant submission ID, username, password and required.

1. Please click the Edit Submission link.
2. Fill in the Submission ID, Username(Email) and Password.
**3.** Then press the Edit Submission button under bottom.

3.4 Upload Abstract/Full Paper/Presentation File

- You only want to upload or update an abstract/full paper/ presentation file.
- Relevant submission ID, username, password and required.

**Example for upload abstract file step by step**

1. Please click the Upload Abstract link.
2. Fill in the Submission ID and Password, press the Choose File button for upload your abstract file, then you need select your upload file format.
   - Microsoft Word(97-2003), file extension name: **DOC**
   - Microsoft Word(2010-2016), file extension name: **DOCX**

○ **PDF**

○ Microsoft PowerPoint(97-2003), file extension name: **PPT**

○ Microsoft PowerPoint(2010-2016), file extension name: **PPTX**

2. Then press the Upload Abstract button under bottom.

● After upload, you will get a success message and system mail about your upload.

3.5 sView Abstract/Full Paper/Presentation File

● Download your abstract/full paper/presentation file.

Example for View Abstract file step by step

1. Please click the View Abstract link.

2. Fill in the Submission ID and Password.

3. Then press the View Abstract button under bottom.
